Livestock Weighted Average Report for 10/27/2025 - Final

AUCTION

	This Week	Last Reported 10/20/2025	Last Year
Total Receipts:	1,709	5,717	4,012
Feeder Cattle:	1,709(100.0%)	5,717(100.0%)	3,947(98.4%)
Slaughter Cattle:	0(0.0%)	0(0.0%)	65(1.6%)

Compared to last week: Steer and heifer calves not well compared to last week's larger offering, sharply lower undertones. Yearling feeder steers and heifers 25.00 to 30.00 lower. Moderate demand for the limited offering of steer and heifer calves, the flesh condition of this week's calves was heavier and not as attractive. Moderate demand for yearling steers and heifers. CME Feeder Cattle futures limit lower today, Live Cattle 5.00 to 10.00 lower, set a negative tone for the feeder cattle market today. Cattle feeders are now facing much uncertainty over how low futures contracts will continue to go. This had a huge effect on the market at the auction today. There were big strings of yearling offered in full loads and multiple load lots, flesh condition ranged from moderate to heavy, the fleshy cattle were hard to sell. The market was active on the attractive fleshed cattle but buyers are very approaching the market very cautiously. Supply included: 100% Feeder Cattle (39% Steers, 58% Heifers, 3% Bulls). Feeder cattle supply over 600 lbs was 84%.

FEEDER CATTLE**STEERS - Medium and Large 1 (Per Cwt / Actual Wt)**

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
