Livestock Weighted Average Report for 11/20/2025 - Final

AUCTION

	This Week	Last Reported 11/13/2025	Last Year
Total Receipts:	3,694	3,982	3,228
Feeder Cattle:	3,694(100.0%)	3,982(100.0%)	2,921(90.5%)
Slaughter Cattle:	0(0.0%)	0(0.0%)	205(6.4%)
Replacement Cattle:	0(0.0%)	0(0.0%)	102(3.2%)

Compared to last week: Yearling steers and heifers were too lightly tested either this week or last to develop any market trend. Yearling quality was mostly plain. Steer calves under 500 lbs sold mostly 10.00-20.00 higher, steers 500-649 lbs sold mostly steady to 5.00 lower, steer calves over 650 lbs sold 5.00-10.00 lower in a narrow comparison. Heifer calves under 450 lbs sold sharply lower with most sales 20.00-35.00 lower, heifers 450-549 lbs sold steady to 5.00 higher, heifers 550-599 lbs sold mostly 5.00-10.00 lower, heifers over 600 lbs were too lightly tested to develop an accurate market trend, however steady to lower undertones were noticed. Demand for calves was mostly moderate to good for moderate offerings. Calf quality this week was mixed from plain to attractive. A wide variety of quality was seen this week. Demand for lightweight offerings suitable to develop into yearlings remains very good. Steer demand was stronger than heifers this week, a flip from last weeks sale. Demand for replacement heifers remains very good with most attractive quality heifers over 575 lbs being purchased to develop into replacements. CME positions traded sharply lower again today with January through November 2026 contracts trading over 4.50 lower. Despite lower CME positions demand for attractive quality cattle remains good, especially for light weight cattle suitable to go to grass. Several ranchers were in the stands buying grass cattle again this week. Market activity was active with a larger crowd on hand seen again this week compared to last week. No cows will be sold on Thursdays in the fall. Supply included: 100% Feeder Cattle (46% Steers, 50% Heifers, 3% Bulls). Feeder cattle supply over 600 lbs was 23%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Head	Wt Range	Avg Wt	Price Range	Avg Price	
2	293	293	630.00	630.00	Unweaned

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
