Compared to last week, feeders were once again very uneven around auction barns but overall, the market was mostly steady to 10.00 lower. A decent pre-holiday week supply of feeders around the auctions in the state this week. Many reporters noted that the offering wasn't quite as attractive as last week when so many sales had some sort of special sale with many big groups of fancier types of cattle. Much more of this week offering especially on the calf side came in smaller lots and groups. The monthly cattle on feed report was released on Friday along with some of the data that was missed in the Oct. report. Numbers were within pre-report estimates with maybe an ever so slight lean towards being bullish. The number of steers and heifers on feed was caught up from the missing report last month and showed heifers at 38% of the total on feed numbers which many expected to be smaller and reflective of maybe a bit more retention and growth. At 38% any growth would be very small and extremely slow. The report was likely overshadowed by other headlines however that once again had a very negative impact on the market. Removal of some of the tariffs of Brazilian beef imports came early in the week. Late Friday news of Tyson's plans to close a major beef plant in NE grabbed all the headlines. Although supplies of cattle for slaughter are historically low, and chain speeds have been kept slow for a while now any time shackle space is lost it is very negative. The industry had expected news like this to come eventually from one of the major four, but it was still a kick and going to be a very negative start for the coming week. Stick out sales this week included 23 head of 424 lb. steers at South Central Regional Stockyards which sold for 472.00. Four State Stockyards sold 25 head of 495 lb. steers at 440.00. New Cambria MO- Kan Livestock Market that sold for 513.00, Ozarks Regional Stockyard sold 87 head of 520 lb. steers for 457.00. New Cambria Livestock Auction sold 20 head of 506 lb. steers for 431.50. Windsor Livestock Auction sold 80 head of 681 lb. steers at 387.00. Joplin Regional Stockyards sold a load of 700 lb. steers for 371.00. Kingsville Livestock Auction sold a load of 800 lb. steers for 365.00. Tina Livestock Market had a load of 857 lb. steers which brought 341.25 and a load of 906 lb. steers that sold for 337.00. Four State Stockyards sold 71 head of 510 lb. heifers for 386.00. A load of 723 lb. heifers at Kingsville Livestock Auction heading to feed sold for 355.50. Boxed beef cutout values closed slightly higher for the week. Choice closed on Friday at 371.48, up 0.75 and select closed at 356.98, up 2.74 compared to last week. Negotiated feedlot sales as of the 2:00 cutoff time on Friday afternoons report came in just under 56K head. Prices continue to lose ground and were down several dollars again this week. Live sales in the south were reported mostly 222.00-224.00, in the north ranged from 212.00-218.00 and dressed sales 340.00-347.00. The Missouri Stocker formula consists of 5155 head with a weighted average weight of 546.67 lbs. and a price value of 392.19, 9.21 lower than last week. The steer/heifer spread is 37.49. Supply included: 82% Feeder Cattle (61% Steers, 35% Heifers, 4% Bulls); 13% Slaughter Cattle (1% Steers, 1% Heifers, 86% Cows, 11% Bulls); 5% Replacement Cattle (23% Stock Cows, 49% Bred Cows, 17% Bred Heifers, 7% Cow-Calf Pairs, 3% Heifer Pairs, 1% Bulls). Feeder cattle supply over 600 lbs was 52%.
