USDA's Agricultural Marketing Service (AMS) purchases a variety of domestically produced and processed commodity food products, through a competitive process among approved vendors. These purchases made by the AMS Commodity Procurement Program (CP) support American agriculture by encouraging the consumption of domestic foods. AMS-CP manages the Web-Based Supply Chain Management (WBSCM), the fully integrated, web-based ordering and procurement system used for the purchase of USDA Foods. Both fresh and processed apples are included in these purchases. Information on commodity purchasing and invitation acceptances can be obtained on the web at: <https://www.ams.usda.gov/commodity-procurement> or https://www.ams.usda.gov/open-purchase-request?field_term_grades_and_standards_target_id=867

The Agricultural Marketing Service has issued Solicitation **20000110XX** for the procurement of xxxxxxxx; Section 32.

The **National Apple Processing Report** is available by email subscription for **free**. To have the National Apple Processing Report delivered to your email box, please sign up at the **USDA My Market News** <https://mymarketnews.ams.usda.gov/> Then go to "Search Previous Reports" and enter **3330** into the Slug ID and click on apply. Click on one of the reports using the number "**3330**" and at the bottom of the page there is the "Subscribe To This Content"
