Livestock Weighted Average Report for 12/2/2025 - Final

SPECIAL

	This Week	Last Reported 11/4/2025	Last Year
Total Receipts:	1,819	3,172	2,107
Feeder Cattle:	1,819(100.0%)	3,172(100.0%)	2,107(100.0%)

This is the first weaned and vaccinated sale of the season. All cattle today were weaned 30 + days and have had their shots. Really nice cattle today. No real comparables since the last special calf sale would have been mostly unweaned. Really nice group of cattle today, though. The next weaned and vaccinated sale will be on January 6th, and there is a special cow sale on December 16th. Receipts were light to moderate with moderate demand. Supply included: 100% Feeder Cattle (61% Steers, 39% Heifers). Feeder cattle supply over 600 lbs was 64%.

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
