Special Note: Correction to Feeder Heifers Med. and Large 1 450-500 lbs

The last reported sale was Dec. 12, so a market comparison can not be made. Pretty nice offering of calves for this first sale of 2026, sold on good demand. Mostly large packages of mixed quality calves. Buyers were able to fill loads made up of both weaned and calves right off the cow, with most carrying spring and fall shots. The offering carried mostly light to medium flesh, with some showing some tagg, and others clean and open haired. Lots of buyers and sellers in the stands, and several buyers on line, making for a very active market. The next Feeder Cattle and Replacement Heifer Special is January 23. Supply included: 100% Feeder Cattle (57% Steers, 43% Heifers). Feeder cattle supply over 600 lbs was 36%.
