Livestock Weighted Average Report for 2/16/2026 - Final

AUCTION

	This Week	Last Reported 2/9/2026	Last Year
Total Receipts:	5,666	5,198	3,693
Feeder Cattle:	5,666(100.0%)	5,198(100.0%)	3,693(100.0%)

Compared to last week: Feeder steers steady to 5.00 higher, instances to 10.00 higher. Feeder heifers unevenly steady. Very good demand again this week for all weights of steers and heifers. With reports of fat cattle up to 246.00 in the north, and up to 249.00 in the south, there was more fuel added to fire under the feeder cattle market. Flesh condition mostly moderate to moderate plus, as the weather has been in the 50s and 60s cattle have been able to easily gain weight and put on a little extra condition. Many long strings of these good home raised steers and heifers, along with long strings of full loads, and multiple load lots of backgrounded steers and heifers. Quality was attractive throughout the sale and the market was very active. Supply included: 100% Feeder Cattle (59% Steers, 40% Heifers, 0% Bulls, 1% Beef/Dairy Steers, 1% Beef/Dairy Heifers). Feeder cattle supply over 600 lbs was 81%.

FEEDER CATTLE**STEERS - Medium and Large 1 (Per Cwt / Actual Wt)**
