Livestock Weighted Average Report for 4/7/2026 - Final

AUCTION

	This Week	Last Reported 3/31/2026	Last Year
Total Receipts:	7,880	9,998	0
Feeder Cattle:	7,880(100.0%)	9,998(100.0%)	0(0.0%)

Compared to last week: Feeder steers over 850lbs 6.00-12.00 higher, under 850lbs steady to 5.00 higher. Feeder heifers steady to 5.00 higher. The feeder market was stout throughout all classes of cattle: Thin fleshed cattle sold outstandingly well, fleshy cattle brought number 1 money, and brahma cross cattle brought enough money to almost top last week's market. Steer calves over 500lbs steady to 5.00 higher, under 500lbs 25.00-30.00 higher, conservatively. Heifer calves 15.00-20.00 higher. The calf market has been confusing over the past few weeks, but Tuesday it turned outright erratic. Buyers had "got to have them" orders for fly weight cattle, while 500-600lbs were only modestly higher. Calf quality was plain throughout the sale. The best quality was on unweaned calves. Most of Oklahoma received a good rain last week and now grass fever has arrived. Boxed beef has select trading higher than choice, again today. Supply included: 100% Feeder Cattle (58% Steers, 41% Heifers, 1% Bulls). Feeder cattle supply over 600 lbs was 78%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)
