Livestock Weighted Average Report for 4/9/2026 - Final

AUCTION

	This Week	Last Reported 3/26/2026	Last Year
Total Receipts:	4,251	6,637	1,988
Feeder Cattle:	4,251(100.0%)	6,637(100.0%)	1,988(100.0%)

This week's auction comprised of a large supply of weaned and bawling fall calves with some yearling feeders in the run. Some consignments are selling due to the recent fires in the area as grass resources are gone along with baled hay supplies. Drought conditions prevail in the area. Quite a few of the cattle were green (light) fleshed through out the day. Compared to two weeks ago feeders and grass cattle showed a higher undertone in almost all classes. Supply included: 100% Feeder Cattle (52% Steers, 48% Heifers). Feeder cattle supply over 600 lbs was 56%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
