Livestock Weighted Average Report for 6/2/2026 - Final

**AUCTION**

	This Week	Last Reported 5/27/2026	Last Year
<b>Total Receipts:</b>	9,446	4,211	9,163
<b>Feeder Cattle:</b>	9,446(100.0%)	4,211(100.0%)	9,163(100.0%)

Compared to last week: Feeder steers 10.00-15.00 lower. Feeder heifers steady to 6.00 lower. CME futures opened sharply lower this morning but heifer prices continued to remain relatively strong compared to what most buyers expected before the sale started. As the steer run started at about 11am, steers started steady to 7.00 lower. By the close of the board, with feeder cattle futures down over 5.00, steers prices were 8.00-12.00 lower. At the end of the steer run, steers were trading 10.00-15.00 lower. Summertime cattle sold well today, as several larger drafts traded at prices very close to top-end number 1 cattle money. Steer and heifer calves 10.00-20.00 lower compared to the light test of last week. Monday was a very hot and humid day across the trading area, and, as expected on Tuesday, the bulk of supply consisted of cattle still carrying fescue hair. Rain chances are forecasted for the rest of the week. Supply included: 100% Feeder Cattle (73% Steers, 26% Heifers, 1% Bulls). Feeder cattle supply over 600 lbs was 83%.

**FEEDER CATTLE**

**STEERS - Medium and Large 1 (Per Cwt / Actual Wt)**

**Please Note:**

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
