Livestock Weighted Average Report for 6/11/2026 - Final

**AUCTION**

	This Week	Last Reported 6/4/2026	Last Year
<b>Total Receipts:</b>	5,200	849	6,497
<b>Feeder Cattle:</b>	5,200(100.0%)	849(100.0%)	6,497(100.0%)

Compared to last week: Feeder steers 900 lbs and heavier, steady to 5.00 higher. Feeder heifers too lightly tested last week for comparison. Good to very good demand for this large offering of backgrounded yearlings, many offered in full loads and multiple load lots, and for weaned fall calves. Plenty of high quality cattle on display, and plenty of buyers on the seats ready to compete heavily. Flesh condition on the yearlings ranged from light to heavy. Flesh on the heifers was pretty heavy across the offering. The market was active throughout the day, incredibly active on the fall calves. CME Feeder Cattle futures gained 5.00, but the Live Cattle futures weren't able to make those kinds of gains as they still lag behind the cash trade. Next feeder sale will be June 25, 2026. Supply included: 100% Feeder Cattle (57% Steers, 43% Heifers). Feeder cattle supply over 600 lbs was 97%.

**FEEDER CATTLE**

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
