Livestock Weighted Average Report for 9/10/2026 - Final

AUCTION

	This Week	Last Reported 5/21/2026	Last Year
Total Receipts:	3,196	1,787	2,644
Feeder Cattle:	3,196(100.0%)	1,787(100.0%)	2,644(100.0%)

First reported sale of the season, no price comparisons available. The market was very active for this anniversary yearling special sale. Many long strings of high quality yearlings offered in full loads and multiple load lots, along with ample packages to put together and fill loads out. The futures contracts continue to offer little support to the cash market, but cattle buyers were not deterred from the chance to buy yearlings right off grass, and competed very heavily to get cattle bought as strings of yearlings are in tight supply. Flesh condition ranged from very light to moderate plus, as some cattle have been fed a little as the drought conditions have been severe and forced some off grass early. Supply included: 100% Feeder Cattle (47% Steers, 53% Heifers). Feeder cattle supply over 600 lbs was 99%.

FEEDER CATTLE**STEERS - Medium and Large 1 (Per Cwt / Actual Wt)**

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
