First reported sale this fall so an accurate price trend cannot be established. Good to very good demand for this yearling offering. A handful of loads of steers, a few loads of spayed heifers, and many packages of tested open heifers, all coming off grass, made up today's yearling sale. Quality varied, flesh condition was light to moderate with some fill seen at times. An active market with a handful of buyers in the seats. Very little harvest work going on this week as weather remains damp and overcast. Few feeder cattle expected next week but a nice line up of calves expected for Thursday, October 8. Supply included: 100% Feeder Cattle (38% Steers, 62% Heifers). Feeder cattle supply over 600 lbs was 100%.
