

Advertised Prices for Specialty Crops Products at Major Grocery Store Outlets ending during the period of 9/19/2026 to 10/1/2026

The information contained in this report reflects prices advertised by major grocery retailers to consumers through circulars and digital promotions and gathered by USDA through a weekly survey.

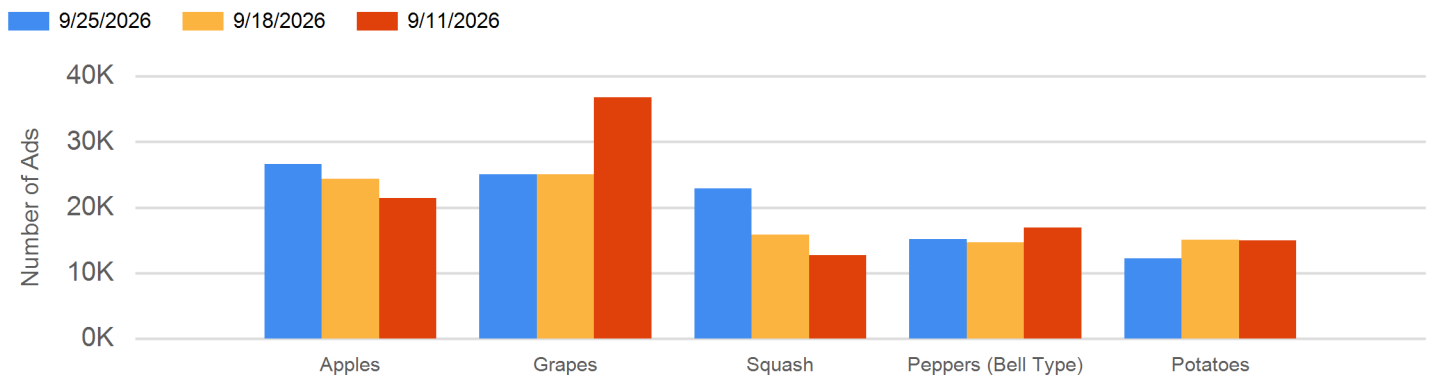

So Long, September

This week we saw much of the summer produce go by the wayside as retailers filled up their bins with fall favorites. Additional varieties of apples and pears--especially those good for baking--joined the old standbys. The first cranberries appeared in ads, and persimmons and pomegranates had a greater presence. Potato and onion ads were popular, as were specials on other cool weather vegetables like broccoli, carrots, celery, and cauliflower. The growing array of pumpkins and hard squash, along with potted mums, added fall color. Halloween treats, costumes, and décor occupied seasonal sections.

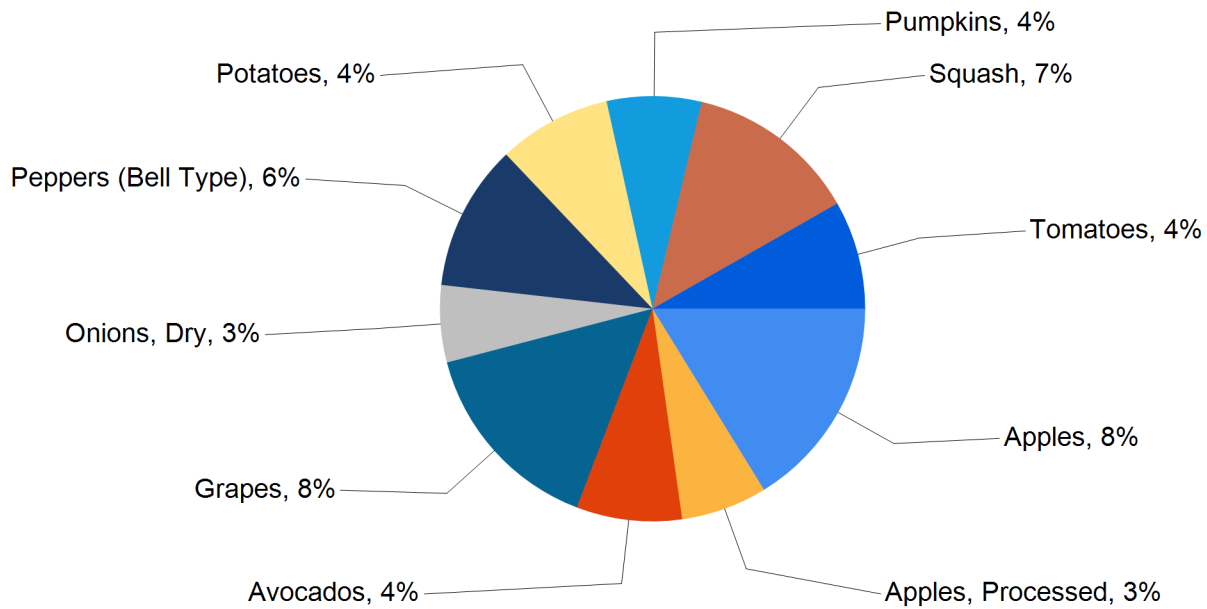

Total ad numbers this week were 301,690, a 2% decrease from last week's total of 306,807. The total for the same week last year was 3% lower at 292,593. The total number of ads broken out by commodity groups: fruit 149,668 (50%), onions and potatoes 20,443 (7%), vegetables 124,917 (41%), herbs 1,455, ornamentals 2,954, hemp 2,019, and honey 1,689. The number of ads for organic produce was 38,166, 13% of total ads.

The following are the prices of major advertised items (3,000 plus ads) this week, compared to the same week last year. Significant increases in price for fruit this week included only Barlett pears (per lb.) at 12%. Significant decreases included raspberries (6 oz. package) at 21%, avocados (each) at 16%, and pineapples (each) at 14%. There were no significant changes in price for onions and potatoes this week. Significant increases in price for vegetables this week included hard squash per lb. (Spaghetti and Acorn at 15%, Butternut at 11%), broccoli crowns (per lb.) at 12%, and corn (4-5 count trays) at 10%. Significant decreases included only green bell peppers (each) at 12%.
