LIVESTOCK SUMMARY

First weekly auction summary of the fall marketing season, no recent reports to compare to this week. Good demand for yearling steers and heifers, as cattle feeders want to get these good, light fleshed cattle, right off grass, bought while they are available. Moderate demand for spring born calves as farmer feeders have turned their full attention to fall harvest and don't have the time necessary to start a bawling calf on feed. Supply included: 100% Feeder Cattle (56% Steers, 44% Heifers). Feeder cattle supply over 600 lbs was 81%.
