Livestock Weighted Average Report for 10/6/2026 - Final

AUCTION

	This Week	Last Reported 9/29/2026	Last Year
Total Receipts:	4,598	5,938	5,711
Feeder Cattle:	4,598(100.0%)	5,938(100.0%)	5,711(100.0%)

Compared to last week: Feeder steers unevenly steady. Feeder heifers steady to 4.00 higher. Most 7 weight steers carried either a calf-like or soft appearance. Despite being weaned for 60-90 days, these cattle were still heavily discounted as buyers are increasingly mindful of the cooler nighttime temperatures dipping into the 50s and the added cattle health concerns that accompany the change in weather. Demand remains relatively good for hard-conditioned cattle. Quality was mostly plain with a few nice drafts. Steer calves over 550lbs unevenly steady, under 550lbs steady to 5.00 higher. Heifer calves to light a test on weaned cattle to set a trend but a lower undertone noted. Tuesday's supply was plain to average in quality; however, calves offered in larger groups were noticeably more attractive, helping keep the steer market steady to higher. Demand for front-end, high quality calves remains very strong, with buyers continuing to compete aggressively for the better quality offerings. Tuesday's supply included 60% un-weaned calves. Supply included: 100% Feeder Cattle (60% Steers, 34% Heifers, 6% Bulls). Feeder cattle supply over 600 lbs was 69%.

FEEDER CATTLE
