Livestock Weighted Average Report for 10/9/2026 - Final

AUCTION

	This Week	Last Reported 10/2/2026	Last Year
Total Receipts:	6,395	5,102	5,435
Feeder Cattle:	6,395(100.0%)	5,102(100.0%)	5,435(100.0%)

Compared to last week: Yearling feeder steers and heifers 5.00 to 10.00 higher. Steer calves 10.00 to 20.00 higher, except 550-600 lbs steady. Heifer calves 450-500 lbs 10.00 lower, over 500 lbs 10.00 to 15.00 higher. Very good demand for yearling steers and heifers, the market was very active for these light fleshed yearlings. Higher CME Live and Feeder Cattle futures along with much lower corn futures lit a fire underneath both the calf and yearling market. A very nice offering of outstanding quality spring born calves. Plenty of long strings and load lots of these good, ranch raised, light to very light fleshed calves. Plenty of buyers in the seats and on the internet competing harder this week to buy calves. Feed yard pen conditions have improved greatly, farmer feeders have made much progress with soybean harvest and are willing to take on some bawling calves. Calves are coming to town lighter than usual as the drought was severe across the area, and the flesh condition is very attractive. Next feeder cattle sale will be Fri. Oct 16, 2026, expecting 9,000-10,000 feeder cattle. Supply included: 100% Feeder Cattle (60% Steers, 40% Heifers, 0% Bulls). Feeder cattle supply over 600 lbs was 37%.

FEEDER CATTLE**STEERS - Medium and Large 1 (Per Cwt / Actual Wt)**

<u>Head</u>	<u>Wt Range</u>	<u>Avg Wt</u>	<u>Price Range</u>	<u>Avg Price</u>

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
