Different weight classes of yearlings than last week so an accurate trend is not available. Today was the 45th anniversary sale featuring yearlings and the first offering of spring calves. Moderate to good demand for both yearlings and calves. A few strings and loads and many packages made up the yearling offering. Quality varied quite a bit, especially on packages, as producers clean up pens and get ready for calves. Flesh ran from light to some heavy flesh at times. A handful of loads and quite a few packages of calves on offer, all coming off the cow. Preconditioning varied, with some having all their shots and some calves without any. Flesh ran from light to creep fed calves carrying some flesh. A moderate to active market with a little less interest in calves than yearlings. Next feeder cattle sale is Friday, October 23. Supply included: 100% Feeder Cattle (57% Steers, 43% Heifers). Feeder cattle supply over 600 lbs was 64%.
