Livestock Weighted Average Report for 10/11/2026 - 10/17/2026

LIVESTOCK SUMMARY

	Current Week	Last Reported 10/5/2026	Last Year
Total Receipts:	5,644	2,714	4,372
Feeder Cattle:	5,644(100.0%)	2,714(100.0%)	4,372(100.0%)

Steer calves 10.00 to 20.00 higher, except 450-550 lbs unevenly steady. Heifer calves 10.00 to 15.00 higher, except 400-450 lbs steady. Very good demand for this offering of very attractive, ranch raised steer and heifer calves. Many long strings, including full loads, and plenty of smaller bunches that allowed buyers to make plenty of full loads of. The market was very active as more cattle feeders are ready to take calves, and yearling operators are wanting to get these good light calves bought while they are available. Flesh condition was light and attractive, especially so on cattle coming out of the worst of the drought areas. The CME Live and Feeder Cattle futures made good gains, while corn continues to cheapen, helping to add a little more support to the feeder cattle market this week. Supply included: 100% Feeder Cattle (69% Steers, 31% Heifers, 0% Bulls). Feeder cattle supply over 600 lbs was 28%.

FEEDER CATTLE**STEERS - Medium and Large 1 (Per Cwt / Actual Wt)**

<u>Head</u>	<u>Wt Range</u>	<u>Avg Wt</u>	<u>Price Range</u>	<u>Avg Price</u>

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
