Compared to last week steer calves less than 700 lbs and yearling 9 weight traded 20.00 lower. Heifer calves sold 25.00 to 30.00 lower with 8 weight yearling heifers sold steady with all other weight trading 6.00 to 15.00 lower. Demand was light to good on calves and yearlings with good demand for bred cows. Another tough week in the bawling calf market as buyers looked to the CME cattle boards for there decision making and it said to purchase cattle at a lower price. Also, some backgrounders are having sick calves to deal with along with muddy pens that should be drying up. These things happen every year, but demand went very quite this week with several auction markets only having a handful of buyers on the seats and quite bidding from the internet. Feedlot sales took another kick in the pants on live and dressed sales. Some finished weight steers and heifers would be bleeding red on closeouts. Live sales sold from 214.00 to 218.00 and dressed sales sold from 330.00 to 340.00. Fall harvest continues with some soybean left to harvest and quite a lot of corn to go to the feedlot or bins. Recent rains have really delayed harvest across the state and few reports of quite a lot of corn off the stalks in fields that are now getting picked. Some hay producers are taking one more cutting of alfalfa this year as fall rains produced some decent tonnage for the fourth or fifth cutting.
Supply included: 87% Feeder Cattle (61% Steers, 37% Heifers, 1% Bulls, 1% Beef/Dairy Steers, 0% Beef/Dairy Heifers); 9% Slaughter Cattle (100% Cows); 4% Replacement Cattle (46% Bred Cows, 30% Bred Heifers, 22% Cow-Calf Pairs, 2% Heifer Pairs). Feeder cattle supply over 600 lbs was 36%.
