Livestock Weighted Average Report for 11/12/2026 - Final

AUCTION

	This Week	Last Reported 11/5/2026	Last Year
Total Receipts:	6,676	4,114	4,346
Feeder Cattle:	6,676(100.0%)	4,114(100.0%)	4,346(100.0%)

Compared to last week: steer calves 450 to 499 lbs mostly steady, 500 to 649 lbs 7.00 to 12.00 higher with instances up to 20.00 higher. Heifer calves 450 to 499 lbs and 550 to 599 lbs 10.00 to 20.00 higher, 500 to 549 lbs not well compared. Very good demand for this large offering of calves and one string of yearling steers still coming off grass in light flesh. Many high quality calves to choose from today, all off the cow. Flesh ranged from light to moderate plus with a little fill seen at times. Most calves had a good shot record or at least a full round of fall shots. An active market with a fill house of buyers, farmers, and bull breeders in the seats. This week's rebound on the futures complex has given feeders a little hope and they are wanting to buy these attractive calves while they are available. Many farmers have completed harvest and are ready for calves. Next feeder cattle sale is Thursday, November 19. This is the last feeder cattle sale before Thanksgiving. Supply included: 100% Feeder Cattle (74% Steers, 26% Heifers). Feeder cattle supply over 600 lbs was 30%.
