USDA Agricultural Marketing Service (AMS) purchases a variety of domestically produced and processed commodity food products, through a competitive process among approved vendors. These purchases made by the AMS Commodity Procurement Program (CP) support American agriculture by encouraging the consumption of domestic foods. AMS-CP manages the Web-Based Supply Chain Management (WBSCM), the fully integrated, web-based ordering and procurement system used for the purchase of USDA Foods. Both fresh and processed apples are included in these purchases. Information on commodity purchasing and invitation acceptances can be obtained on the web at: https://www.ams.usda.gov/commodity-procurement or https://www.ams.usda.gov/open-purchase-request?field_term_grades_and_standards_target_id=867

The Agricultural Marketing Service has issued Solicitation **2000011596** for the procurement of Bottled Fruit Juice
