Prices represent open (spot) market sales by first handlers on product of generally good quality and condition unless otherwise stated and may include promotional allowances or other incentives. No consideration is given to after-sale adjustments unless otherwise stated. Brokerage fees paid by the shipper are included in the price reported.

Basis of Sale Definitions:

Sales F.O.B. Shipping Point Basis - This means that the product quoted or sold is to be placed free on board the boat, car, or other agency of the through land transportation at shipping point, in "suitable shipping condition", and that the buyer assumes all risk of damage and delay in transit not caused by the seller irrespective of how the shipment is billed. The buyer shall have the right of inspection at destination before goods are paid for to determine if the product shipped complied with the terms of the contract or order at time of shipment, subject to the provisions covering suitable shipping conditions.

Delivered Sales, Shipping Point Basis - This means that the product is to be delivered by the seller on board the car, truck, or on the dock if delivered by boat, at the market in which the buyer is located, or at such other market as is agreed upon, free of any and all charges for transportation or protective service. The seller assumes all risks of loss or damage in transit not caused by the buyer.
