

## Partner Programs for Grades 3, 5, & 7

The Barnes provides free in-depth programming to grades 3, 5, and 7 in select partner schools in the **School District of Philadelphia and Catholic schools in the Delaware Valley**. Students receive a field trip to the Barnes and two in-school lessons led by our grade-level specialists. **These programs are free and include materials, busing, and admission costs.** Learn more and [submit your request](#).

### ABOUT THE PROGRAMS:

**Grade 3:** The third-grade partner program connects to literacy and the English language arts curriculum.

*Grade 3 programs at the Barnes take place on Tuesdays at 10 am.*

**Grade 5:** The fifth-grade partner program explores the connections between art, math, and science.

*Grade 5 programs at the Barnes take place on Tuesdays at 11:45 am.*

**Grade 7:** The seventh-grade partner program explores the connections between social studies and art.

*Grade 7 programs at the Barnes take place on Wednesdays at 10 am.*

Space in partner programs is limited. Register today or contact [education@barnesfoundation.org](mailto:education@barnesfoundation.org) for more information.

### PARTNER PROGRAM GOALS:

1. To increase students' ability to think critically about the visual world around them.
2. To help students and teachers of all backgrounds feel comfortable and confident in a museum setting.
3. To encourage students and teachers of all backgrounds to find relevance in art, and to think of art as an outlet for personal creative expression.
4. To deepen students' and teachers' historical and cultural empathy.
5. To support students' academic growth by aligning lessons with curricular standards.
6. To model arts integration and inquiry-based learning for teachers.
7. To ensure that the Barnes is seen as a partner in community arts education.
