

Orangeburg County Regional HOME Consortium Owner Occupied Housing Rehabilitation Call for Applications

Assistance is available to eligible homeowners in Aiken, Allendale, Bamberg, Calhoun, Barnwell, and Orangeburg Counties to cover the cost of repairs and improvements necessary to bring homes to applicable standards for decent, safe and sanitary housing as required by applicable codes. This program is not intended for minor repairs, remodeling, additions, or cosmetic improvements. Eligible applicants must have incomes equal to or less than 80% of the median income level for the county in which they live. Assistance will be available to eligible homeowners subject to availability of funds. It is expected that there will be more applicants than funding available for this program. Preliminary applications will be reviewed and prioritized according to income level, extent of need, and other factors as determined by the LSRHC Consortium Board. Those who are not selected in the current application cycle will need to re-apply in future application rounds. The application period will begin **November 15, 2018** and remain open until **December 15, 2018**. Applications will be available on our website www.lscog.org, or applications are available at our location: **2748 Wagener Road, Aiken SC. You must be the owner of the property along with having the deed and title.** Mobile homes **do not** qualify for this program. Additional information about the application requirements and the program will be provided to households selected for assistance. If you have any questions feel free to contact Yolonda Buchanan (Housing Coordinator) 803-649-7981
