What will happen next?

Baue Funeral Homes of Missouri will send a care professional to your loved one's location as soon as we are notified. In most cases it takes less than an hour for us to arrive at any location in the St. Charles area. Your loved one is then transferred directly into our care center located at 620 Jefferson Street, St. Charles, MO 63301.

Your loved one never leaves our care.

A staff member will be dedicated to assisting you and your family and will contact you to set a mutually agreed upon time of your choosing. From there, we will then take care of filing all necessary paperwork with the State of Missouri, assist you in making arrangements associated with a service, etc.

We are here to help.

Please call us if you have additional questions or need immediate assistance at (636) 940-1000, any time of the day or night.
