INTRODUCTION

The Baylor Athletics Communications Office appreciates your interest in Baylor Basketball and looks forward to assisting you during the 2018-19 season. Our offices are located on the second floor of the Simpson Athletics and Academic Center on South University Parks Drive.

To better assist in your coverage, please take time to read the information found on the ensuing pages in this almanac. These policies have been established in consideration of the media’s needs, as well as those of Baylor’s student-athletes and coaches to create a positive work environment for all concerned.

If additional information or assistance is required, please contact David Kaye, Assistant AD for Communications, or any other member of the Baylor Athletics Communications staff. We appreciate your coverage of Baylor Basketball and look forward to working with you this season.

MEDIA CREDENTIALS

Requests for working media, radio, video or photo credentials should be made by sports editors or sports directors of accredited media outlets at www.sportssystems.com/baylor. All requests should be made as early as possible and are limited to working media only. Requests made within 24 hours of the game may not be considered.

Credentialed media may be shipped overnight if shipping information is provided. Credentials that are not shipped in advance will be available for day-of-game pickup at the Ferrell Center’s media will call table (media entrance on the west side of the Whetsel Practice Facility).

Media parking at the Ferrell Center is available on a limited basis. Credentials also serve as parking permit; the parking attendants will direct media members to the media parking area. Upon request, printable parking passes can be e-mailed to those picking up credentials at media will call. Requests from individuals not employed by a media outlet will not be considered.

UNAUTHORIZED CREDENTIAL USE

Credentials will be issued to working media only. Media credentials are not transferable and use by anyone other than members of the working media is unauthorized. Media credentials used in an unauthorized manner will be revoked immediately. News organizations allowing unauthorized individuals to use credentials will have their credentials revoked for the remainder of the year.

WEB-BASED MEDIA

Baylor follows NCAA and Big 12 Conference rules regarding media representatives photographing games.

Only properly credentialed photographers will be allowed in the designated photo areas of the Ferrell Center as specified by the NCAA and Big 12 Conference. No photographers will be permitted to shoot from the sidelines. All photographers must remain in the Ferrell Center’s designated photo areas along the baselines. Photo credentials are subject to revocation by the Baylor Athletics Communications Office at any time.

BASELINE PHOTOGRAPHY

Baylor University is committed to a policy of equal access for both male and female reporters and photographers.

The Baylor locker room is closed to the media. Coach Drew and player interviews will be conducted in the Ferrell Center’s Media Center following the NCAA 10-minute cooling off period.

Media are asked to submit player interview requests to David Kaye prior to the under-four media timeout in the second half. The visiting SID will select the student-athletes to be interviewed in the postgame interview room.

POSTGAME INTERVIEWS

In conjunction with the Big 12 Conference, Baylor head coach Scott Drew will participate in the league’s weekly teleconference during the season. Dates and times will be announced at a later date.

Media representatives wishing to participate in the teleconference should contact the league communications staff for further details.

A live audio stream of the teleconference can be heard at www.Big12Sports.com. A replay of the teleconference will be available after 4 p.m. CT the day of the teleconference.

Baylor provides broadcast-quality video of home game postgame highlights via FTP download. Contact Jeremy Otter (254-230-3440, Jeremy_Otter@baylor.edu) for more information.

MACK RHOADES
VICE PRESIDENT / DIRECTOR OF ATHLETICS
ARIZONA, 1993

Mack B. Rhoades, IV, who has provided outstanding leadership and vision for three NCAA Football Bowl Subdivision athletic programs, was named Baylor University’s Vice President and Director of Intercollegiate Athletics on July 13, 2016. He has led national searches for three head coaching positions, ultimately bringing to Baylor Matt Rhule (Football) in 2016, Casie Maxwell (Equestrian) in 2017 and Brian Boland (Men’s Tennis) in 2018. Rhoades has organized a team of dynamic administrators and restructured the athletics department to maximize efficiencies across teams. His concept of Preparing Champions for Life has provided the ongoing vision for Baylor Athletics, which aims to bolster the student-athlete experience by focusing on the areas of academic achievement, athletic success, character formation and spiritual growth. Rhoades has assisted University leadership in a campus-wide effort to structurally complete 105 recommendations related to Title IX and student safety.

In 2018, Rhoades announced 15 department-wide Strategic Initiatives, including a master plan for future facilities. These initiatives were established through a comprehensive review of the athletic department with the purpose of preparing student-athletes for their endeavors beyond their time at Baylor.

Since his arrival, Baylor has had 18 of 19 team reach postseason play both years, earning eight Big 12 titles (women’s regular season and tournament champions 2016-17 and 2017-18; equestrian, 2016-17; women’s indoor track and field, 2017; soccer tournament champions 2018; basketball tournament champions 2018). Additionally, acrobatics and tumbling secured NCATA national championships in both 2017 and 2018, adding to their record four-consecutive titles.

Baylor continued its successful run academically in 2017-18, recording its 20th consecutive semester with 3.0 or better GPA in Spring 2018. Baylor led the Big 12 in Graduation Success Rate (GSR) for the fourth straight year while 108 student-athletes earned degrees in the academic year. Four Baylor athletics programs earned NCAA Division I Academic Performance Program awards for scoring in the Top 10 percent nationally in Academic Progress Rate (APR) in their respective sports (baseball, men’s basketball, softball and soccer). Nine of 15 Baylor athletics programs tracked by the NCAA matched or improved upon their APR scores from the previous year and baseball, men’s basketball, soccer and softball registered perfect one-year APR scores of 1,000, which leads the Big 12 Conference.

The Bears remain committed to giving back with student-athletes volunteering more than 1,500 hours throughout the Waco community. Baylor’s Student-Athlete Advisory Committee (SAAC) collected two weeks of food supply for 30 local families during the holiday season. For the 2016-17 school year, a total of 500 coaches, student-athletes, administrators and staff packed a school-record 139,968 meals during the annual Feed My Starving Children initiative.

For the 10th consecutive year, Baylor’s Sports Ministry Team traveled to share the love of Christ. Baylor Athletics hosted four international mission trips this year with 60 student-athletes participating in trips to Puerto Rico, Ghana, Mexico and Guatemala.

Rhoades joined the Baylor family from the University of Missouri, where he spent the previous year (2015-16) leading the 20-sport South Dakota intercollegiate athletics department, and he previously served in similar capacities at the University of Akron (2006-09) and at the University of Akron (2006-09).

His first year in Columbia saw Mizzou student-athletes register the highest one-semeer grade-point in school history at 3.03 for the fall 2015 term; Barry Odom hired as the Tigers’ head football coach; wrestler Jordyn Cox win an NCAA title and earn a berth on the 2016 U.S. Olympic Team; the Tigers’ men’s swimming and diving team place a program-best eighth at the NCAA Championship and its women’s basketball program return to the NCAA Tournament for the first time since 2006. Bolstered by three top 11 NCAA finishes--winning (sixth), men’s swimming and diving (eighth) and women’s swimming and diving (11th), Missouri finished 43rd in the final 2015-16 Learfield Directors’ Cup standings.

Rhoades and his staff developed a student-athlete enrichment program, Mizzou Athletics Preparation Program, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Houston’s football team appeared in four bowl games during Rhoades’ six seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings at the NCAA’s Academic Progress Rate, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Baylor athletics programs earned NCAA Division I Academic Performance Program awards for scoring in the Top 10 percent nationally in Academic Progress Rate (APR) in their respective sports (baseball, men’s basketball, softball and soccer). Nine of 15 Baylor athletics programs tracked by the NCAA matched or improved upon their scores from the previous year and baseball, men’s basketball, soccer and softball registered perfect one-year APR scores of 1,000, which leads the Big 12 Conference.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men’s basketball, men’s golf, licensing, Miner Athletic Club and the athletics ticket office.
