

5/12/14

To whom it may concern,

Joe Spinelli and Restaurant Consultants Inc. were able to bring their extensive experience in restaurant start-ups in the Washington area to allow The One Group to launch STK DC on time and within budget. RCI procured all the necessary licenses and permits we needed while working in a professional and organized manner. We thank them for helping us with our first DC restaurant opening.

Fred Contini  
Director of Construction
