

South Paw Pet Resort
2026 Boarding Requirements

I, the Pet Owner, do hereby entrust South Paw Pet Resort to care for my pet(s) while at their facility and agree to all terms listed below:

All pets being placed in the care of South Paw Pet Resort must be up to date on Distemper, Parvo, Parainfluenza, Rabies and Bordetella (Kennel Cough) vaccinations. We also recommend the Canine Influenza vaccine – please discuss with your vet to see if they feel your pet should also have this vaccine prior to boarding. Current vaccinations are required for the safety of all our guests. A copy of the pet’s vaccination records is required prior to check-in. For your convenience, your vet can email them directly to us at southpawpetresort@msn.com

We require all pets to be current with their flea and tick treatment.

In case of an emergency or sickness, if the pet owner, the emergency contact, or the pet’s vet is unreachable, I hereby give consent to South Paw Pet Resort to seek emergency care at the provider of their choice. All emergency expenses incurred for the benefit of the pet(s) will be reimbursed to South Paw Pet Resort or billed directly to the pet owner from the emergency care facility.

I understand that boarding my pet at South Paw Pet Resort may include small group socialization play time (unless otherwise specified) which could expose my pet to injury and/or illness. South Paw Pet Resort will not be held liable for any illness pets may contract while under our care. South Paw Pet Resort has daily and weekly cleaning and sanitizing routines and takes great care to prevent any illness at The Resort.

South Paw Pet Resort is happy to accommodate any special feeding or medication needs. South Paw Pet Resort will not be held liable for any issues resulting from performing these services.

Pet Owner is responsible for any damage or harm caused by Owner's pet(s) while under the care of South Paw Pet Resort.

Pet owners will indemnify and hold harmless, South Paw Pet Resort and John and Denise Niemiec, from any and all claims for damages arising out of or in any way relating to pet(s) stay at the South Paw Pet Resort or grooming services performed.

Recommendations:

We recommend bringing items from home to make your pets stay more enjoyable. We do our best to safeguard these items, however South Paw Pet Resort is not responsible for lost or damaged toys, bedding or other items left with your pet.

We recommend that you have identification on your pet when they arrive for boarding. Nylon and leather collars will be kept on the pet while boarding. Please no choke or pinch collars.
