## **WCRP DUPR DIVISIONS: Full Roster size is a total of 6 players**

**DUPR 29** (max aggregate 29.940)

\*Maximum individual player DUPR cannot exceed 4.99 to play in DUPR 29

**DUPR 26** (max aggregate 26.100)

**DUPR 20** (max aggregate 20.100)

\*Maximum individual player DUPR cannot exceed 3.35 to play in DUPR 20

\*in an effort to keep the divisions competitive, a max individual player rating has been added to the 2025 season. Ratings are based on when the individual signs up for the league.

### **. Not Rated assignments:**

DUPR 20: 3.000

DUPR 23: 3.500

DUPR 26: 4.000

DUPR 29: 4.500

The assigned NR ratings can only be altered with proper information submitted to the league organizer. The league organizer/program director reserves the right to make the final decision on a NR's assigned rating.

### **NR - NOT RATED PLAYERS**

If you are an NR player, your rating will be set to the average rating of the division you sign up for.

Example A: if you sign up for DUPR 20 you are assigned a 3.000 rating.

**Once a team registers for a Wicomico County Mixed Double League, their ratings are “locked” and their DUPR increasing or decreasing will not impact the team’s aggregate or division placement throughout the season.**

**To sign up for the Wicomico County Mixed Doubles League, a DUPR account is required at the time of registration.**

## **SUBSTITUTES/INJURY**

The Mixed Pickleball League events:

If a replacement player that is already on the roster is made for an injured player during the event, the replacement player must remain in for the duration of the current game. A player that is replaced cannot be entered back into play until the next game.

If a team is unable to field all required players (2) for any reason before or during the match, then games will be forfeited with a score of 11-0.

If a player has an injury mid-game and cannot finish the game, and there is no replacement rostered player then the team forfeits that game. In this case, the forfeiting team will keep their score and the winning team will automatically be given a score of 11, or greater to ensure the game is won by two.

Forfeited games count for wins/losses and point percentage.
