December 15, 2023

To all members of our St. George Community,

Christ is Born!

I hope and pray that this finds you well. This 2023 year was quite an active one for our community. All of our activities and events featured in this 2023 photographic year in review line up with our Mission and Vision:

Vision: To serve as a lighthouse emanating the light of Christ to the world through service, education, and fellowship and to be a spiritual safe haven of God's presence and healing for all.

Mission: Worship, Service, Education, and Community

In the end, it was only because of all of you that all these blessed and God pleasing activities could take place. The reality is, without your support through your time, talent, presence, and faith offerings, none of these events could occur.

Each of you deserve an individual thank you which will occur in the coming weeks. As we close the 2023 year, thank you to all of you. May God reward you tenfold now and in the Kingdom for all you have done and given.

May the Nativity light guide you and may Christ's peace be with you.

With much love in Christ,

Fr. Joshua
