Policies, Rules & Regulations

Alcoholic beverages can be served between the hours of 10 a.m.-11:30 p.m. Mondays through Saturdays and 12 p.m.-11:30 p.m. on Sundays.

Food must be provided at all events with alcohol being served. No guest may leave the building with an alcoholic beverage. No exceptions.

The WY&CC is not able to guarantee beverage/alcohol prices or wine selections, which are subject to change and availability without notice from the Wicomico County Liquor Board. All bar/wine orders must be submitted a minimum of 14 days in advance. The WY&CC will purchase and supply wine and liquor that is not carried in stock (if available) at client's request, but only with advance payment. A minimum order/purchase amount may apply.

All alcohol must be purchased through the WY&CC and served by WY&CC bartenders. No outside alcohol will be permitted. The WY&CC requires minimum sales of \$350 per bar. If the minimums are met, the bartender and cashier fee will be waived.

One bartender is required for every 75 guests. Bartenders and cashiers are billed at \$125 for a one-hour bar; \$150 for a two-hour bar; and \$175 for a three-or-more-hour bar. The bartender fees do not apply toward the minimum sales requirement.

You may choose to have your host bar service based on (1) by-the-drink pricing, or (2) cash bar by-the-drink pricing. Please remember, hosted bar by-the-drink charges include all drinks served, not just drinks consumed. Cash bar prices include sales tax.

Standard bar service includes your choice of House and Premium liquor, domestic beer, imported beer, house wine, sodas and water. It is the assumption that cash bars will be set with the Standard Bar Service. Any Extra Premium or Top Shelf liquors will be stocked by request only.

Hosted bar service by the drink allows the host to have the option of determining which types of "in stock" drinks are available at the bar.

The WY&CC liquor serving size is one and a half (1.5) ounces. Wine is poured at five (5) ounces per serving. Doubles, shots or shooters are NOT available from the banquet bars.

The WY&CC takes great pride in responsible beverage service. The WY&CC DOES NOT PERMIT THE SERVING OF ALCOHOLIC BEVERAGES TO ANYONE UNDER THE AGE OF 21, or anyone who is under the influence of alcohol in accordance with the Maryland state law. As hosts, the WY&CC is responsible for monitoring the potential intoxication of our guests and will regulate bar service when necessary to ensure the safety of our guests. Guests under the age of 35 must be prepared to present current, valid photo identification.
