

How to Transfer Money Between Your Own Accounts (Internal Transfers)

Cost: Free

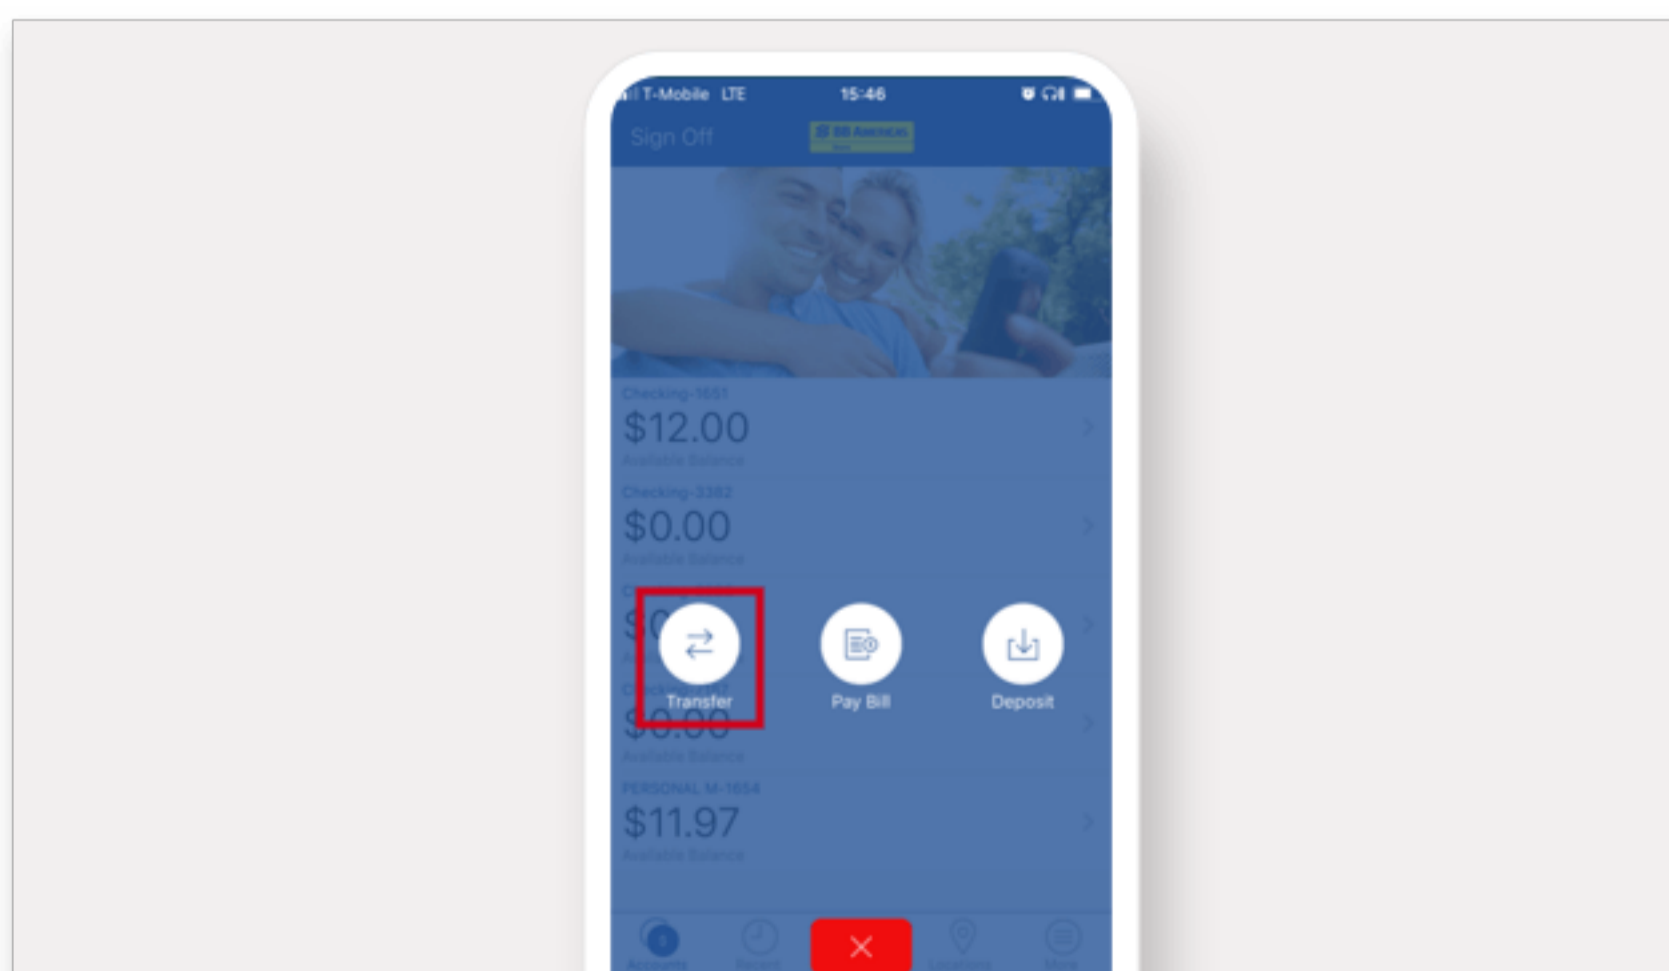

Receive money in: Immediately

Limits: None

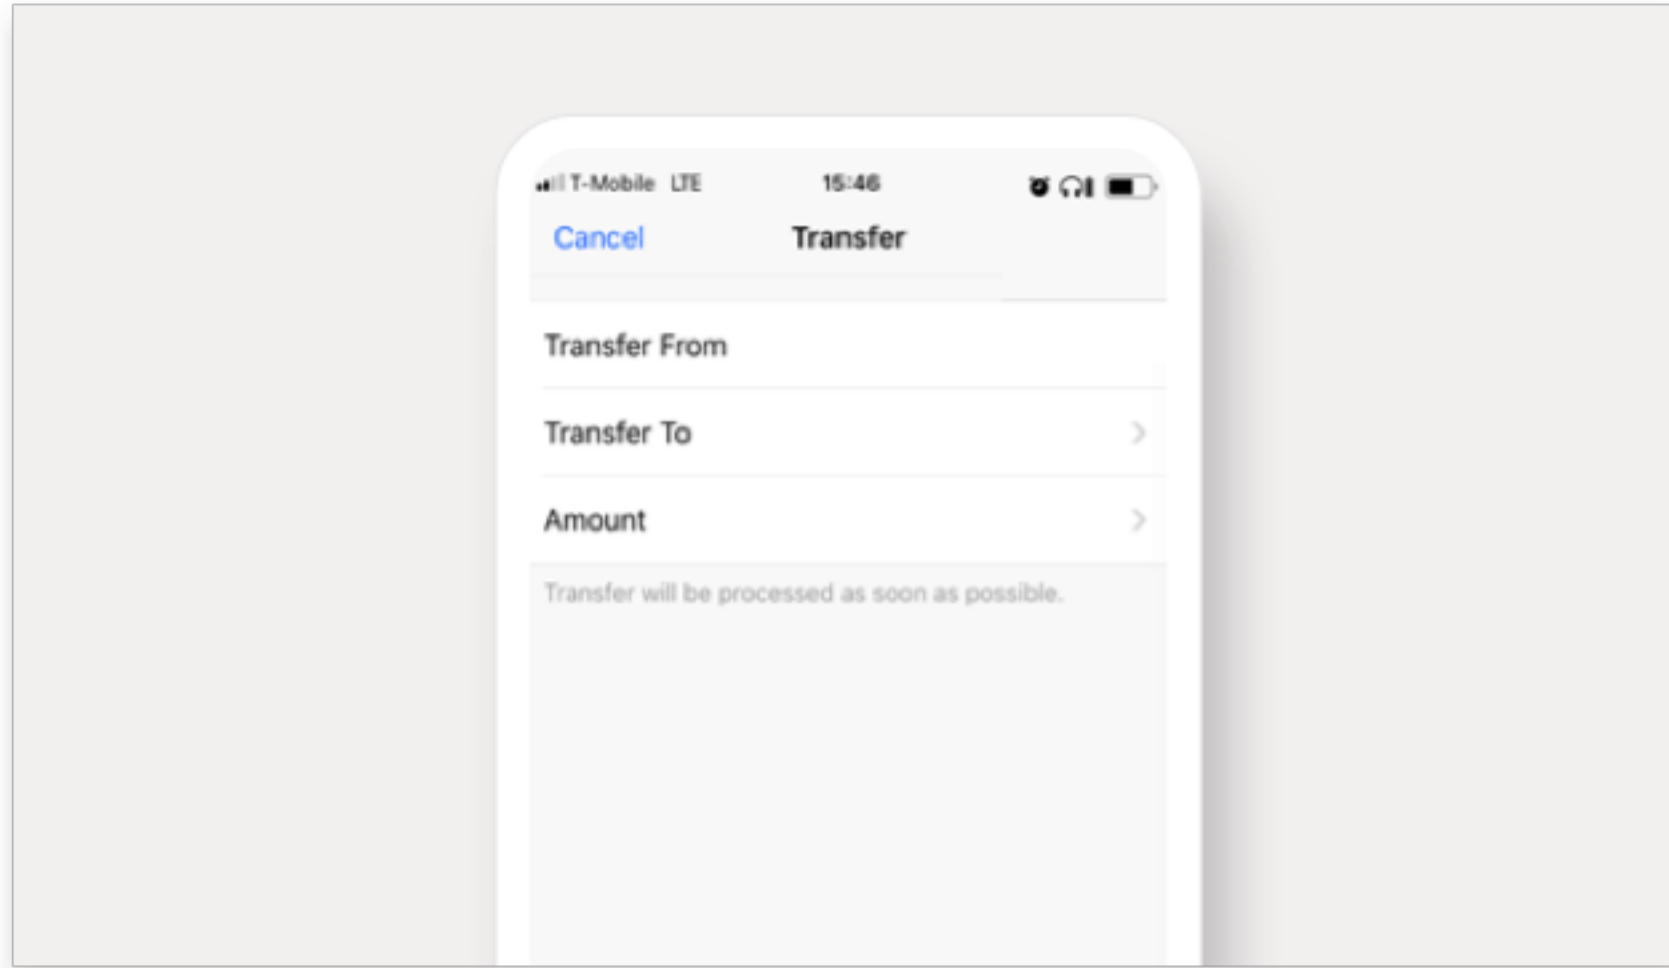

1. On the main page, click on the PLUS (+) Sign.

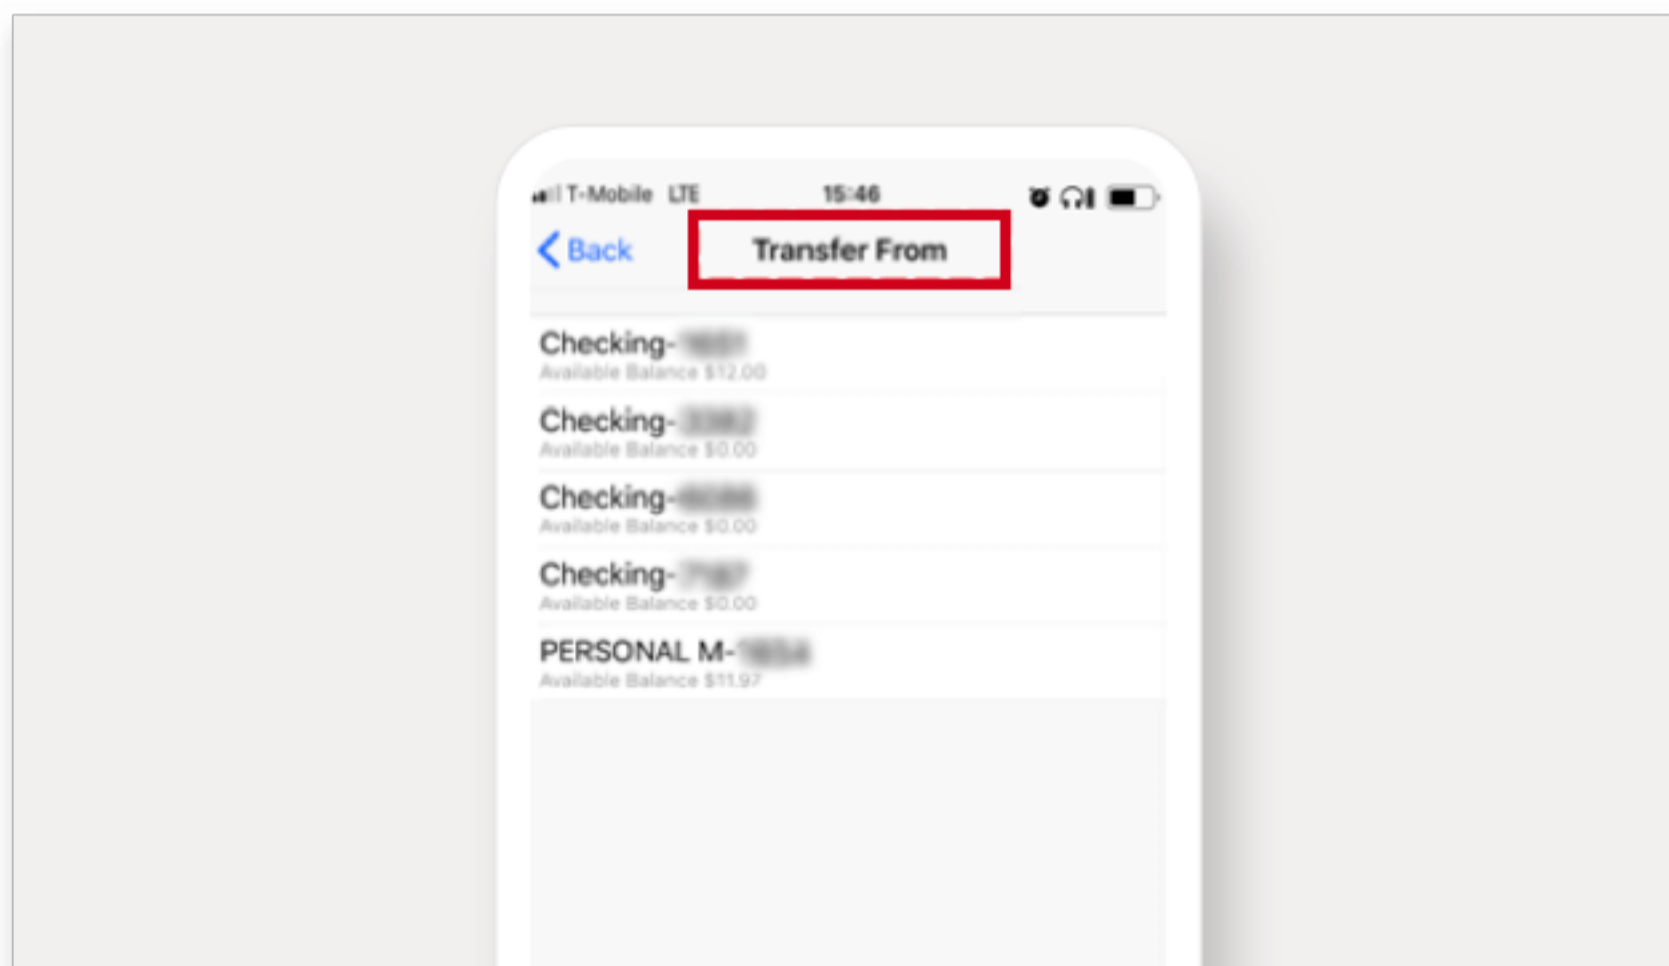

2. Select **Transfer** to make an internal transfer between your own BB Americas Bank Accounts.

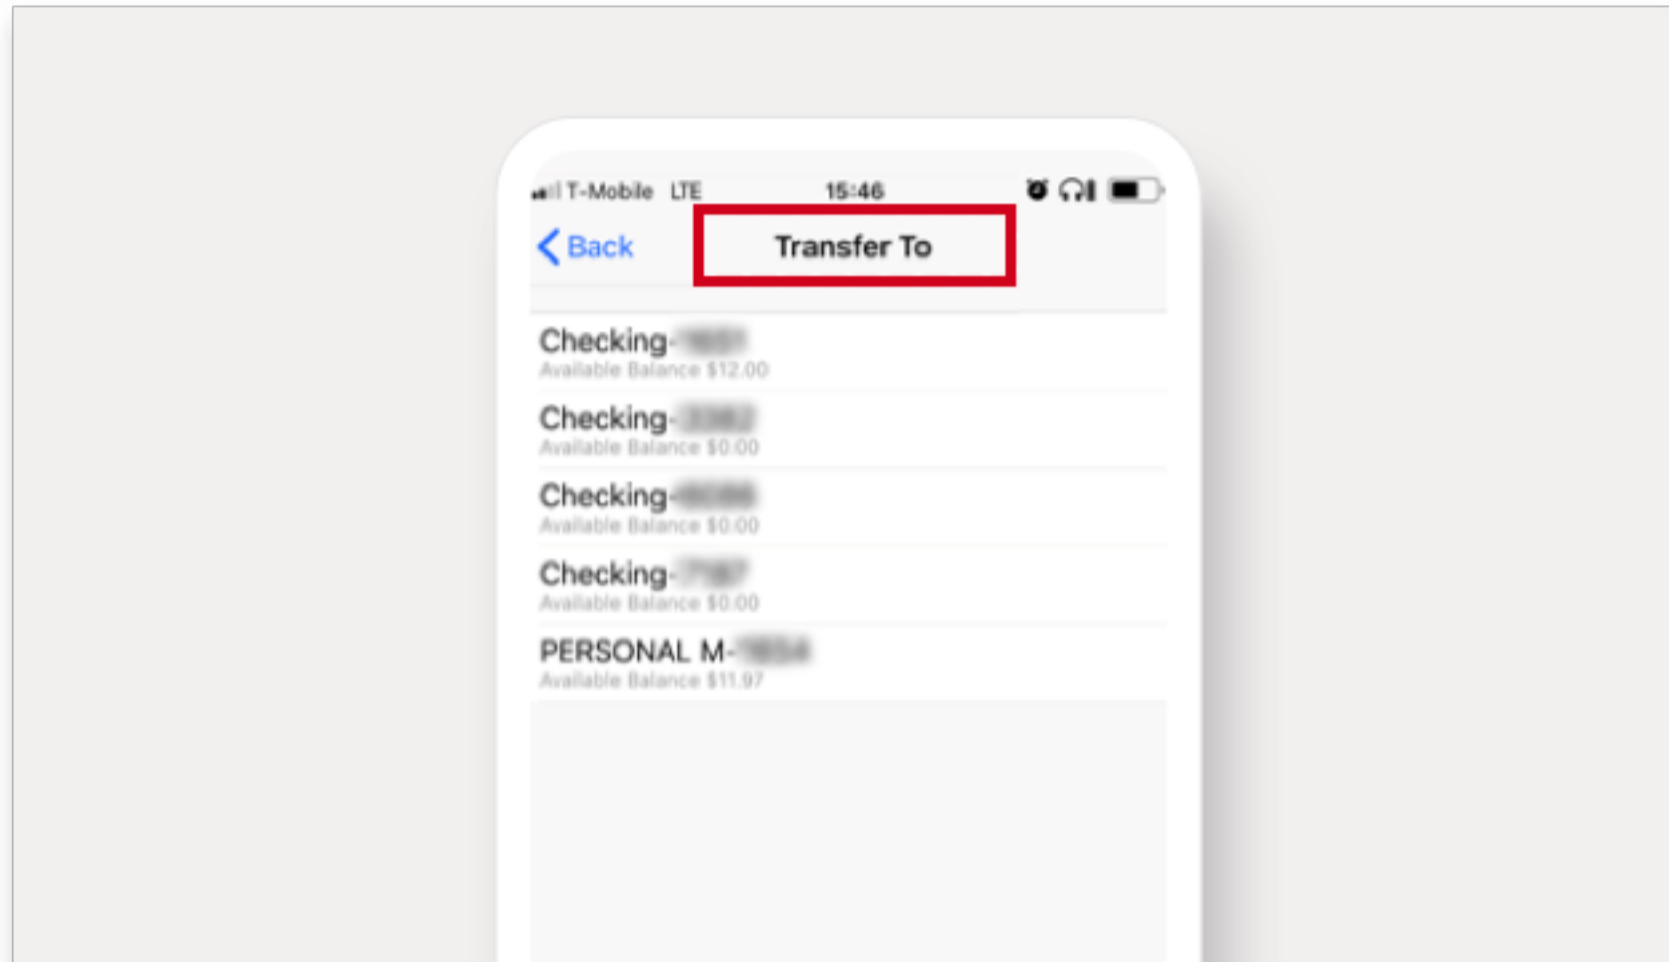

3. Complete each field with the requested information.

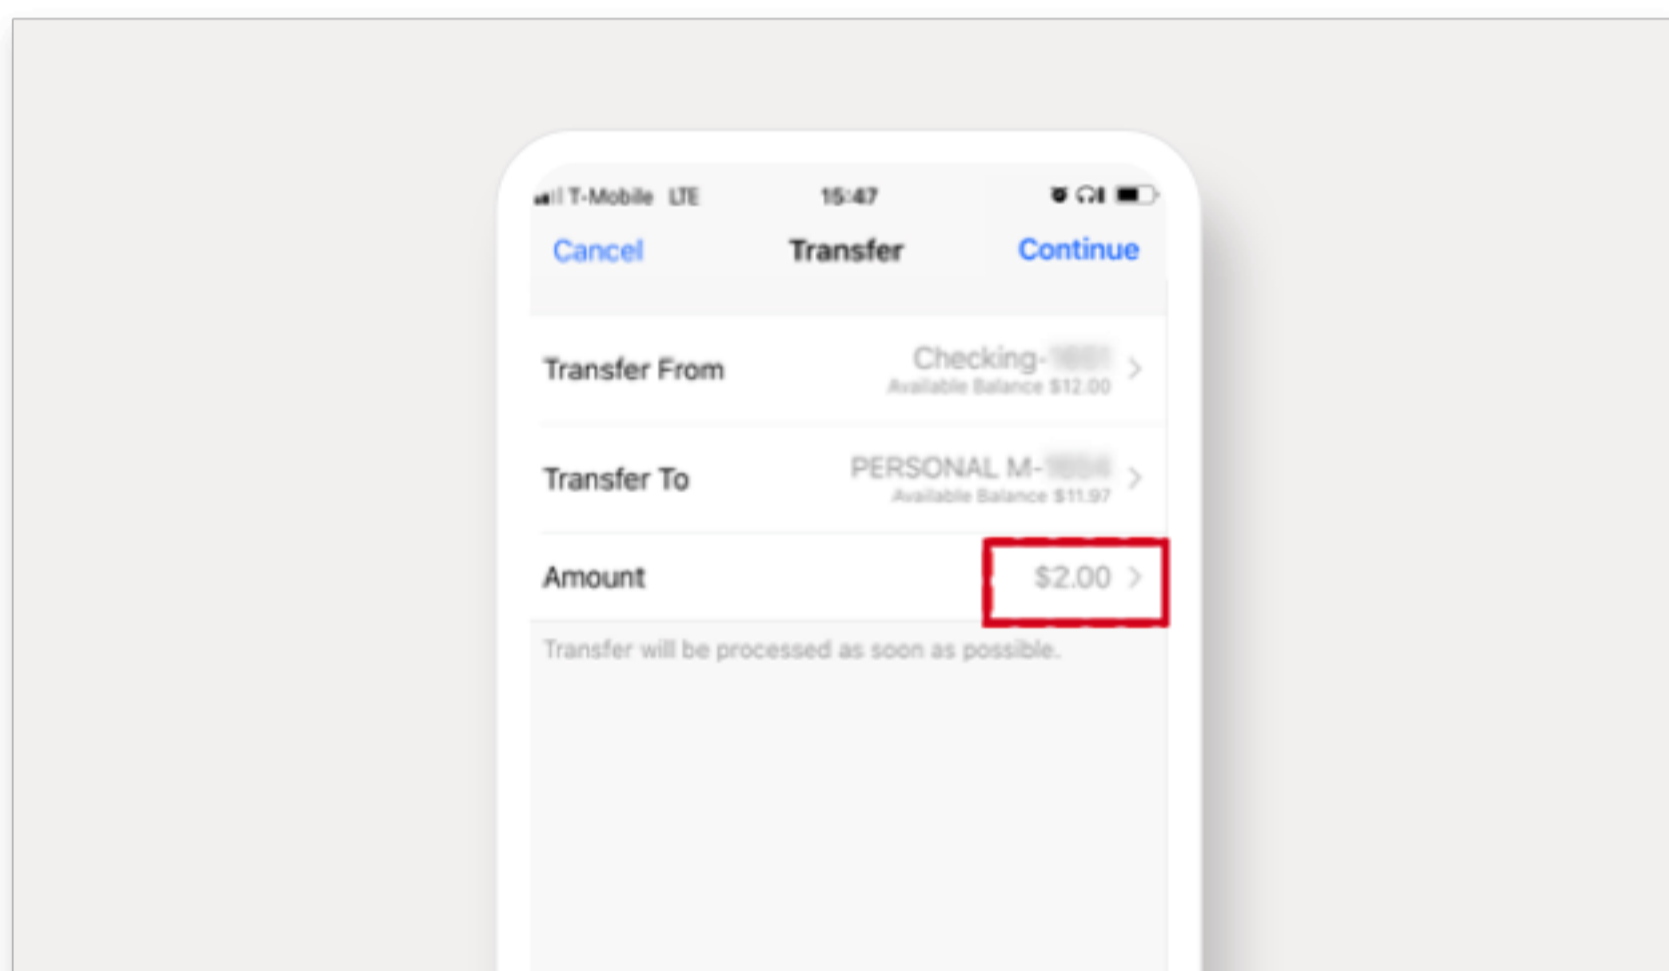

4. **Transfer Form:** Select the account you'd like to transfer the money from.

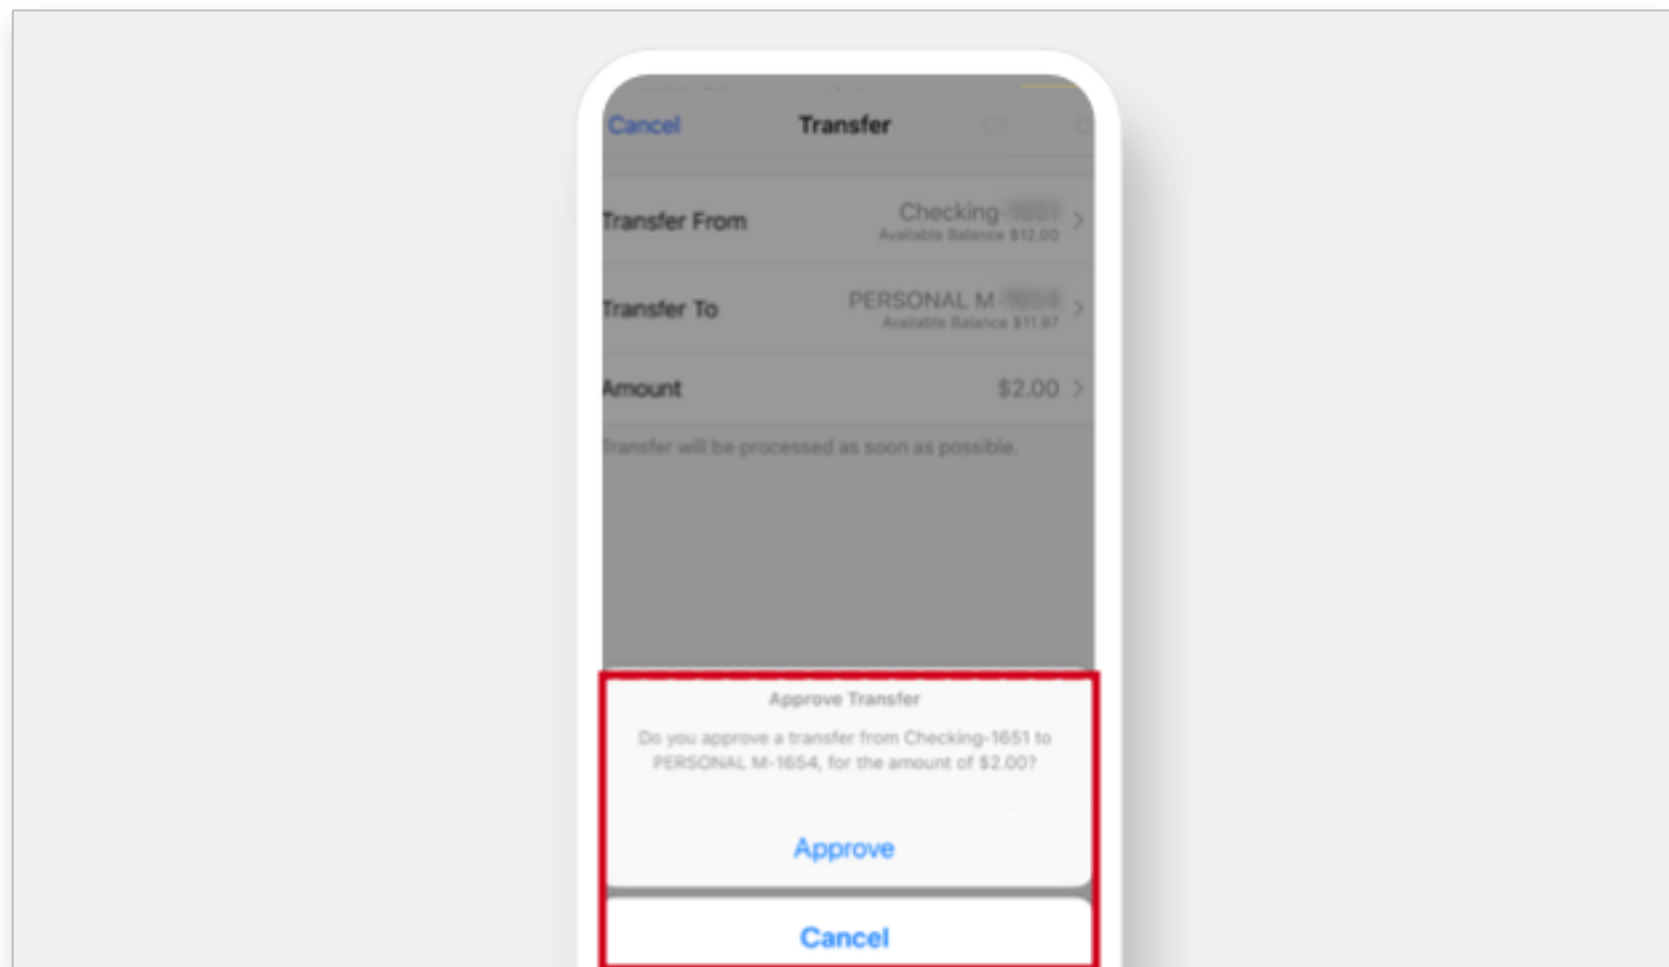

5. Transfer to: Select the account you'd like to transfer the money to.

6. Amount: Enter the amount you'd like to transfer and click **Done**. After entering the required information, verify for accuracy and click **Continue** to proceed.

7. Approve and complete the transfer by clicking on **Approve**.

8. The message “**Your transfer has been completed**” will appear on the main page indicating that your transfer was successfully completed.
