## BELONG

Have you ever reconnected with a friend or family member whom you haven't seen in a while and upon seeing them, you didn't recognize them? What made you finally recognize them?

## GROW

Read Luke 24:13-35. What stands out to you? Was there anything you read that you don't remember reading in the past? Why don't you think the disciples recognized Jesus right away?

Read the following prophecies about the coming of Jesus:

Genesis 3:15 - Jesus is going to crush Satan.

Genesis 12 - Jesus will come through the line of Abraham.

Isaiah 7:14 - Born of a virgin.

Micah 5:2 - Born in Bethlehem

Isaiah 35:5-6 - What is Jesus going to do when He comes.

Psalms 22:16 - How would He die.

Which of these prophecies helps you most trust in Jesus? Which of these prophecies are harder to believe? Why?

Read Mark 10:45. Why did Jesus come? Do you know of anyone with significant authority who laid down his power to serve another? What happened? What areas of your life do you have authority? How can you serve those around you?

## REACH

Read Matthew 28:19-20. A number of us have read this verse, but have a hard time living it out. Why? In Mark 10:45, we read that Jesus came to serve. He calls us to do the same. Who can you serve by laying down your comfort zone and sharing your faith with them?
