TIM HUR & HELEN NGUYEN

POINT HONORS AND ASSOCIATES, REALTORS

HERE'S OUR STORY:

We are top REALTORS at Point Honors and Associates, REALTORS, featuring an innovative and energetic Real Estate Team that helps clients proactively sell, buy and invest in real estate.

We service the entire Metro Atlanta Area with our team of agents. While most Realtors sell 4 homes a year, we had over 116 transactions last year! We will go above and beyond to make sure you get all of the information on a buy and maximize your profit for a sale, and our phones are answered 7 days a week. When working with our team, clients receive proactive communication and a results-driven approach.

We know that most people don't just want to sit on the market. They want to sell, which is why they choose us. Our clients know they are going to receive top dollar for their existing home and are going to get the best deal available on their purchase.

Tim is a real estate expert that specializes in outstanding client service, home needs analysis, and aggressive marketing and advertising, having been in the business for over 13 years. Along with Helen Nguyen, who has a marketing degree, we ensure complete success in meeting our clients' real estate needs, whether buying their dream home or selling their existing property. We know we can get the job done.
