In response to your notification, please receive some views of Niger party for the development of further guidance on LMOs Risk Assessment

Needs and priorities for further guidance on specific topics of risk assessment of LMOs :
Updated roadmap of LMOs risk assessment for capacity building of various stakeholders
Manual of methodologies of risk assessment of LMOs
Guidance on transgenic trees risk assessment
Guidance on transgenic fishes risk assessment

Existing guidance of specific topics of LMOs risk assessment

Roadmap of LMOs risk assessment
Genetic technologies including synbio
Guidance on socio-economic considerations of LMOs risk assessment

Best regards
