FM reported to BHU that during her custody exchnage childs father (attached) made comments to their daughter in front of RP. The comments said were "dont worry about those crazy ladies" referring to Rp and Rp Moms (childs grandma). On going issue during custody exchange where child's father does not leave the station and will linger around. I advised Rp to let Judge know so that this can be clearly stated on the order that he is to leave in a timely manner or it will be considered a violation. RP was in tears and is very afraid of him. There have been several other instances that were very similar to this. While speaking to her she also advised me the child's teacher texted saying their daughter was not it school today. School contacted father and he stated child will not be going. Court date is tomorrow for RO.

T2/ PARKING COMPLAINT BETWEEN NEIGHBORS

Narrative: **09/08/2026 1328 Lucero, Paul**
Initial complaintant wanted attached vehicle moved but as
the area is a public way which parking is not restricted.

I queried the vehicle attached and it came back active. Note
the owner of the vehicle was not in the area at the time of
the call so he could not move the vehicle.

The reported problem was not done on purpose by the owner
and he would have moved it if he was in the area. No
citations issued and no police action to be taken.

I attempted to explain to the complaintant but she was
agitated and she would not hear of any excuse. Complaintant
was not cooperative as to giving her name which I then
cleared...

Mr. Palacios came to HQ to report that he was taunted in front of Chelsea District Court by two male parties that he had an RO against. The RO was just dropped in court about 20 min prior to the taunting. The male parties drove by Palacios on the street while he was standing on the corner and one of them laughed as they drove by. Palacios has the incident on video. The male parties are Juan Bedoy and Brian Nino Cepedes. Palacios wanted incident on record in case of any future harassment.

Mr. Lavin has an active RO against him by Emile Culver and Meichelle Ferguson. I called Emile and set up a 9am time for Lavin to meet with an officer at this location to retrieve his belongings. Lavin was told that he would only have 15 minutes to take what he can. Any longer he would have to hire a police detail or a constable. Lavin will wait down the street from this address for the officer to arrive, then make himself known.

Ms.Figueroa came to HQ to report fraud. She booked an appointment with a tatoo artist on TikTok from the company "Ethereal Ink" in Somerville, Ma. They had her send $175 through via Apple Pay. She informed them that she was on her way to the appointment and they did not respond. She called and the calls were not going through. She checked the TikTok account and it had been taken down and not found. She called the actual company and they informed her that there is a scam going around using the 3 artists that work for them. Fake accounts were created and people have been complaining. They contacted TikTok and requested all fake accounts be taken down. I advised to contact Apple and inform them of the scam and request her money be returned to her.
