Narrative: **09/15/2026 1602 Malone, Thomas**
Have a unit respond to Hector's Barbershop regarding a past disturbance. The report was that a male party had approached and/or touched one of the employee's nephews. The suspect is no longer on scene. Capt. Malone will call the responding unit with more information.

Narrative: **09/15/2026 1637 Gomez-Catano, Alejandro**
Officer Gomez spoke with the father who did not feel comfortable with his name being attached. Father explained that his son (11 years old) was in MBTA bus #116 earlier when an unknown man entered the bus, started staring at the minor, and aggressively threw a bag towards the seat next to the minor partially hitting the minor. The unknown male party then stared at the minor in an intimidating way. The minor felt scared and got off the bus near Hector barber shop and that is when he informed his ftaher about the incident. The unknown male party also got off the bus at the same stop as the minor and the father along with the minor's uncle, confronted the unknown male party. Father does not want to pursue anything further with Revere PD or MBTA transit police. Officer also spoke with the child who is well dressed, seems overall well taken care off, clean clothing, attends school in chelsea. Services rendered.

Ms. Stanley came to HQ to report harassment. She stated that her neighbor, Daniela Spagnulo, has been harassing her via phone calls and texts. Spagnulo texted Stanley late last night. Stanley received 20 text messages from 0051 to 0133. Spagnulo is accusing Stanley of calling DCF on her, but she never did. Stanley has been to housing and they are informed of the situation. Spagnulo left a voicemail last night, screaming at Stanley in a very aggressive manner stating that she'll wait outside for her, and Stanley takes this as a physical threat. Stanley was advised to report any additional incidents to police and apply for a 258E once she gets 3 incidents filed.

Vehicle parked on the street at the end of the driveway for about 5 minutes and then proceeded to drive all the way up the driveway to the garage area. The driver never got out but was there approximately 2-3 minutes and then turned around and left. I told the reporting party it may have been a delivery driver in the wrong driveway. I told him to call again if the same vehicle shows up again.
