Mr. Portillo came to HQ to report that Juan Figueroa is harassing him through social media. Portillo had a heated discussion via social media with Figueroa's mother. Figueroa did not like what Portillo had to say and made comments to hime sayin "I know where you live and work" and "your kids should stay inside and you should stay inside too". Portillo took those comments as a threat to his saftey. Portillo was advised NOT to play into social media rage bait tactics and ignore Figueroa and his mother. Portillo was advised to report any addition harassment to police.
