Re: Committee Meeting

Date: September 9, 2026

Please be advised that the Zoning Sub-Committee will hold a meeting on **Monday evening, September 14, 2026 from 5:00PM-6:00PM** in the City Councillor Joseph A. DelGrosso City Council Chamber, Revere City Hall, 281 Broadway, Revere, MA 02151 for the purpose of discussing the following Council Order(s):

- 26-130** C-26-09. 128 Towing & Recovery, LLC, 885 North Shore Road, Revere, MA 02151 requesting a special permit to enable the appellant to conduct a towing and roadside assistance operations business at 885 North Shore Road, Revere, MA 02151 (TED District).
- 26-169** C-26-12, Martin Carbo, 263 Oakwood Avenue, Revere, MA 02151 requesting a special permit from the Revere City Council to alter and extend an existing non-conforming structure, by adding two floors, consisting of two residential units each, to the existing structure at 191 Revere Street, Revere, MA 02151.
- 26-170** C-26-13, Domenic LaSala, 269 Revere Street, Revere, MA 02151 requesting a special permit from the Revere City Council to enable the appellant to modify and extend an existing single-story non-conforming residential structure by constructing a second-floor addition at 269 Revere Street, Revere, MA 02151.
- 26-175** Motion presented by Councillor Guarino-Sawaya: That the Mayor request the appropriate City departments to establish a requirement that all qualifying construction and demolition projects post a clearly visible project information sign at the property for the duration of the permitted work. The sign shall be posted in a location readily visible from the public way and shall include, at a minimum: permit number, property address, name of contractor and/or developer, permitted construction hours, project contact telephone number, and City department/contact information for residents to report complaints or concerns. The appropriate departments are further requested to determine the types and size of projects that would be subject to this requirement and establish appropriate standards for the size, placement, visibility, and maintenance of the signage.
