The Farmington Public Library, the Western Maine Audubon, and the Town of Farmington present...

DARK SKY

Join John Meader, Maine's expert on the night sky, to talk about light pollution and its effects on insects, wildlife, and your health. The talk will be followed with a Q & A.
John Meader is an astronomy educator who has worked in various Maine planetariums since 1979.

When: November 5th at 6:00 PM
Where: Holman Room, Farmington Public Library

The program above is not an RSU9 sponsored activity. However, this flyer is being distributed in the local schools as a community service. All costs associated with this flyer are being paid for by the Farmington Public Library.
