Dear TAXPAYER:

This is in response to your Oct. 23, 2009, request for information regarding your tax-exempt status.

Our records indicate that your organization was recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in AUGUST 1993.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Beginning with the organization's sixth taxable year and all succeeding years, it must meet one of the public support tests under section 170(b)(1)(A)(vi) or section 509(a)(2) as reported on Schedule A of the Form 990. If your organization does not meet the public support test for two consecutive years, it is required to file Form 990-PF, Return of Private Foundation, for the second tax year that the organization failed to meet the support test and will be reclassified as a private foundation.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

MAY 12 REC'D

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

District Director
