House Sitting Outreach Template

Here is a message you can copy and paste whenever you apply to a new house sitting job. If you already have house sitting experience, you can take out the last part. Good luck!

Hey **[NAME]**!

I would love to look after **[PET NAMES]** while you're away. I **[A QUALITY ABOUT YOU THAT WOULD MAKE YOU A GOOD SITTER]**, so I can **[REASON THAT QUALITY IS IMPORTANT FOR THE ASSIGNMENT]**. **[SENTENCE THAT SOMEHOW CONNECTS YOU TO THEIR TOWN TO BUILD RAPPORT]**. I just signed up for the platform this year and haven't been able to use it because **[REASON]**. But as you can see from my profile and references, I've been taking care of pets my whole life. We'd be honored to take care of **[PET NAMES]** as our first housesitting assignment!

Real Life Example

Here's how that template might look in action (This is the exact message we used to land our first house sitting assignment):

Remember, the more specific you can be, the better. So, for example...

- If the assignment is taking care of a pitbull and you have experience with pitbulls, mention it!
- If you've been to their city 10 times and know it like the back of your hand, mention it!
- If one of the pets needs special care, and you have experience giving that special care, mention it!

Happy House Sitting!
