Writing Skills Assessment

Pinpoint Your Strengths and Weaknesses in Writing

The assessment package is best for professionals who perform business writing or content writing for their jobs. We will help you identify common mistake patterns and provide recommendations to improve your skills.

Our Skills Assessment Package (SAP) includes:

- A written report of areas where you are proficient and needs improvement (such as style, grammar, sentence construction, etc.)
- Learning resources to develop your skills such as PDF files or website links to external references.
- Video recording of your coach analyzing the written work you submitted.

Mechanics:

1. The client will request a billing invoice corresponding to the target number of participants and settle the full payment.
2. Email us a copy of three documents or articles written by participants.
3. Client will receive SAP within ten business days.

Participants' Reviews

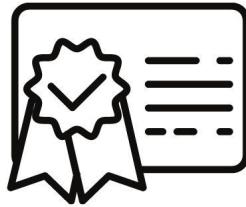

JM Darlucio, Founder of Ennable and Former Managing Partner at Swim Central

I appreciate how Jonah Chipeco identified my writing strengths and how she encouraged me. I hope more people can have access to this service.
