Introduction...

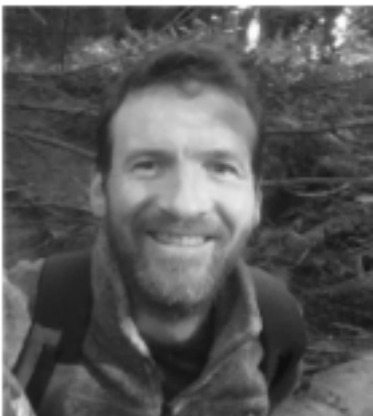

Thanks for getting a copy of this short resource guide. This is designed to make it easier for you to find information and resources that will help you get started in the Personal Finance niche.

The resources include help on getting started, examples of successful personal finance sites that you can model and learn from, and links to the best and most lucrative affiliate programs in this niche.

If you have any questions (or suggestions for other resources that I could add to this guide) [contact me here](#).

Thanks,

Val Wilson
