#CorbynsCommunityChallenge

#CorbynsCommunityChallenge was launched in response to our disappointment with the 2019 election results. With Christmas just around the corner, we launched a Christmas challenge to turn frustration into hope and raise money for a good cause.

Like so many thousands of you out there, I'll been overcome with despair since the election result and barely able to function. Discovering this group has given me a resurgence of hope and purpose and renewed my faith in the profound compassion, kindness and generosity of the British people. Solidarity!
