

Reed v. Town of Gilbert

UNITED STATES SUPREME COURT

WILL HEAR AN IMPORTANT RELIGIOUS FREEDOM CASE

(BROUGHT BY THE ALLIANCE DEFENDING FREEDOM)

THE BECKET FUND

SUPPORTS THIS CASE BECAUSE:

- People of faith should not be treated worse than politicians.
- Everyone—including churches—is entitled to equal treatment.
- Freedom of speech is part of what defines us as Americans—local bureaucrats shouldn't be allowed to decide who can speak and who must be silent.

ARBITRARY & DISCRIMINATORY BAN OF RELIGIOUS SPEECH
