One Great Hour of Sharing

Each year during Lent, the Presbyterian Church (USA) asks members to participate in a special offering – One Great Hour of Sharing. The money raised through this special offering goes to support three specific, very important programs:

- **Presbyterian Disaster Assistance Program** – this is the response arm of the Presbyterian Church that sends direct aid and relief to areas of the country and the world that have experienced a disaster.
- **Self Development of People** – this program promotes community sustainability in developing areas around the world.
- **Presbyterian Hunger Program** – this program provides direct food relief to those situations and circumstances where there is chronic hunger and need.

To support **One Great Hour of Sharing** you can send a check to the church or put a check in the offering plate with the note that it is for OGHS.

AED (Automated External Defibrillator) Training

Recently the church purchased an AED and other emergency response equipment. The case is located on the staircase which leads down the office and up to the sanctuary. A training session is scheduled for Sunday, April 8 from 11:30-1:30 to teach us how to use the device and to review basic safety procedures. In addition to staff, we would love to have two or three people from the congregation attend the training so more of us are familiar with the equipment. If you are interested in attending please contact Laurel in the church office - laurel@bedfordpreschurch.org
