### CHILDREN'S OFFERING

Due to government instability and violence in Nicaragua, workgroups are no longer traveling there to work with Bridges to Community on important community projects. Bridges to Community has started a fundraiser to keep their contracted masons working so they can support their families. This year's Children's Offering will support this Bridges to Community initiative, providing financial stability for our dear friends in Nicaragua, who we know by face and name. Our hope is to keep the important projects going and our friends working. Thank you for your support!

Each December Bedford Presbyterian hosts the Millie Kane Luncheon for senior citizens in our community on a weekday in early to mid-December. ## Emergency Shelter Partnership

### Congregational Council Representative Needed!

ESP's Congregational Council is the group of people from participating congregations who coordinate the details for hosting the shelter. The group meets 5-6 times/year usually in the evening in Mt. Kisco. We are looking for someone to be BPC's representative on that Council. If you are interested or if you have questions please speak with Paul Alcorn, Shirani Ponnambalam or Chris Perry. Thank you.
