

LED READY STRIP LIGHT
ST48 SERIES

PRODUCT DESCRIPTION:

The Diva Light ST48 Series LED ready strip light is the perfect replacement for traditional fluorescent T5HO and T8 strip lights. LED ready fixtures provide longer life and better lighting distribution. These strip lights are energy efficient and low maintenance, resulting in higher cost savings in the long run.

The ST48 series is compatible for continuous row mounting, and can be installed surface mount or suspended mount via pendant or chain hangers.

APPLICATIONS:

Retail, warehouse, stairwell, factory, residential, workshop, office building, garage.
